The bedrooms transform into sensual sanctuaries, where warm materials, light fabrics, and soft lighting create a welcoming, quiet, and enveloping atmosphere. Natural wood and light surfaces alternate with raw textural inserts, evoking the calm of a Brazilian coastal home. The lines are clean, but never cold. The balance between simplicity and depth creates an intimate space that exudes calm and freedom. Here you sleep, dream, and let go, surrounded by discreet elegance.

# ROOMS

---

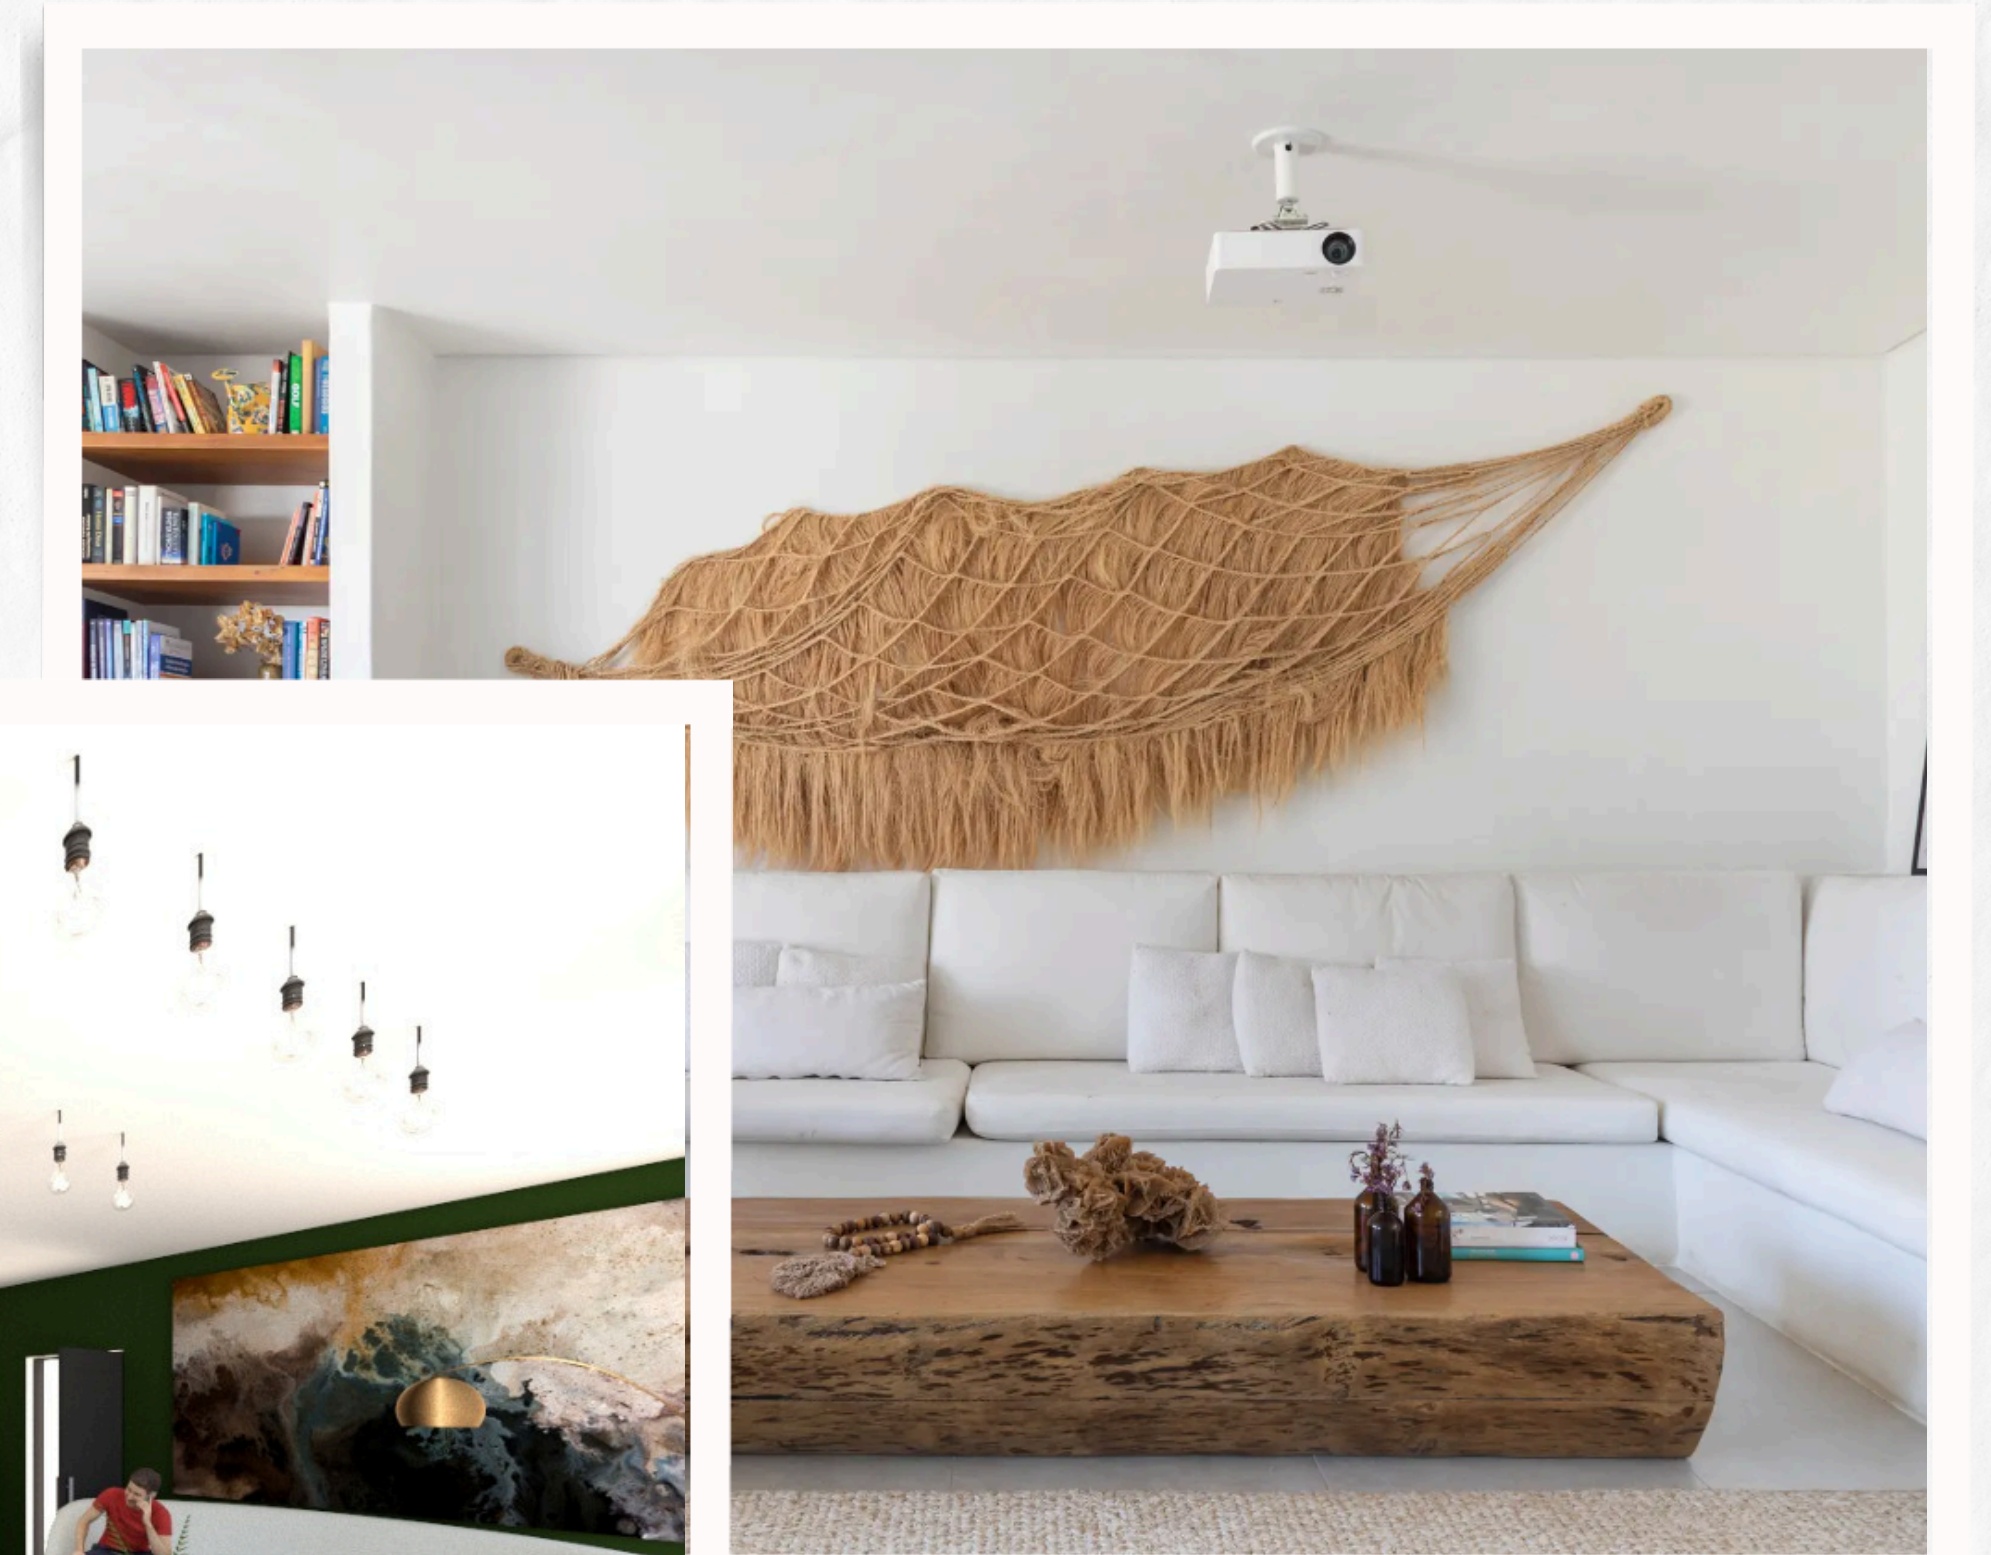

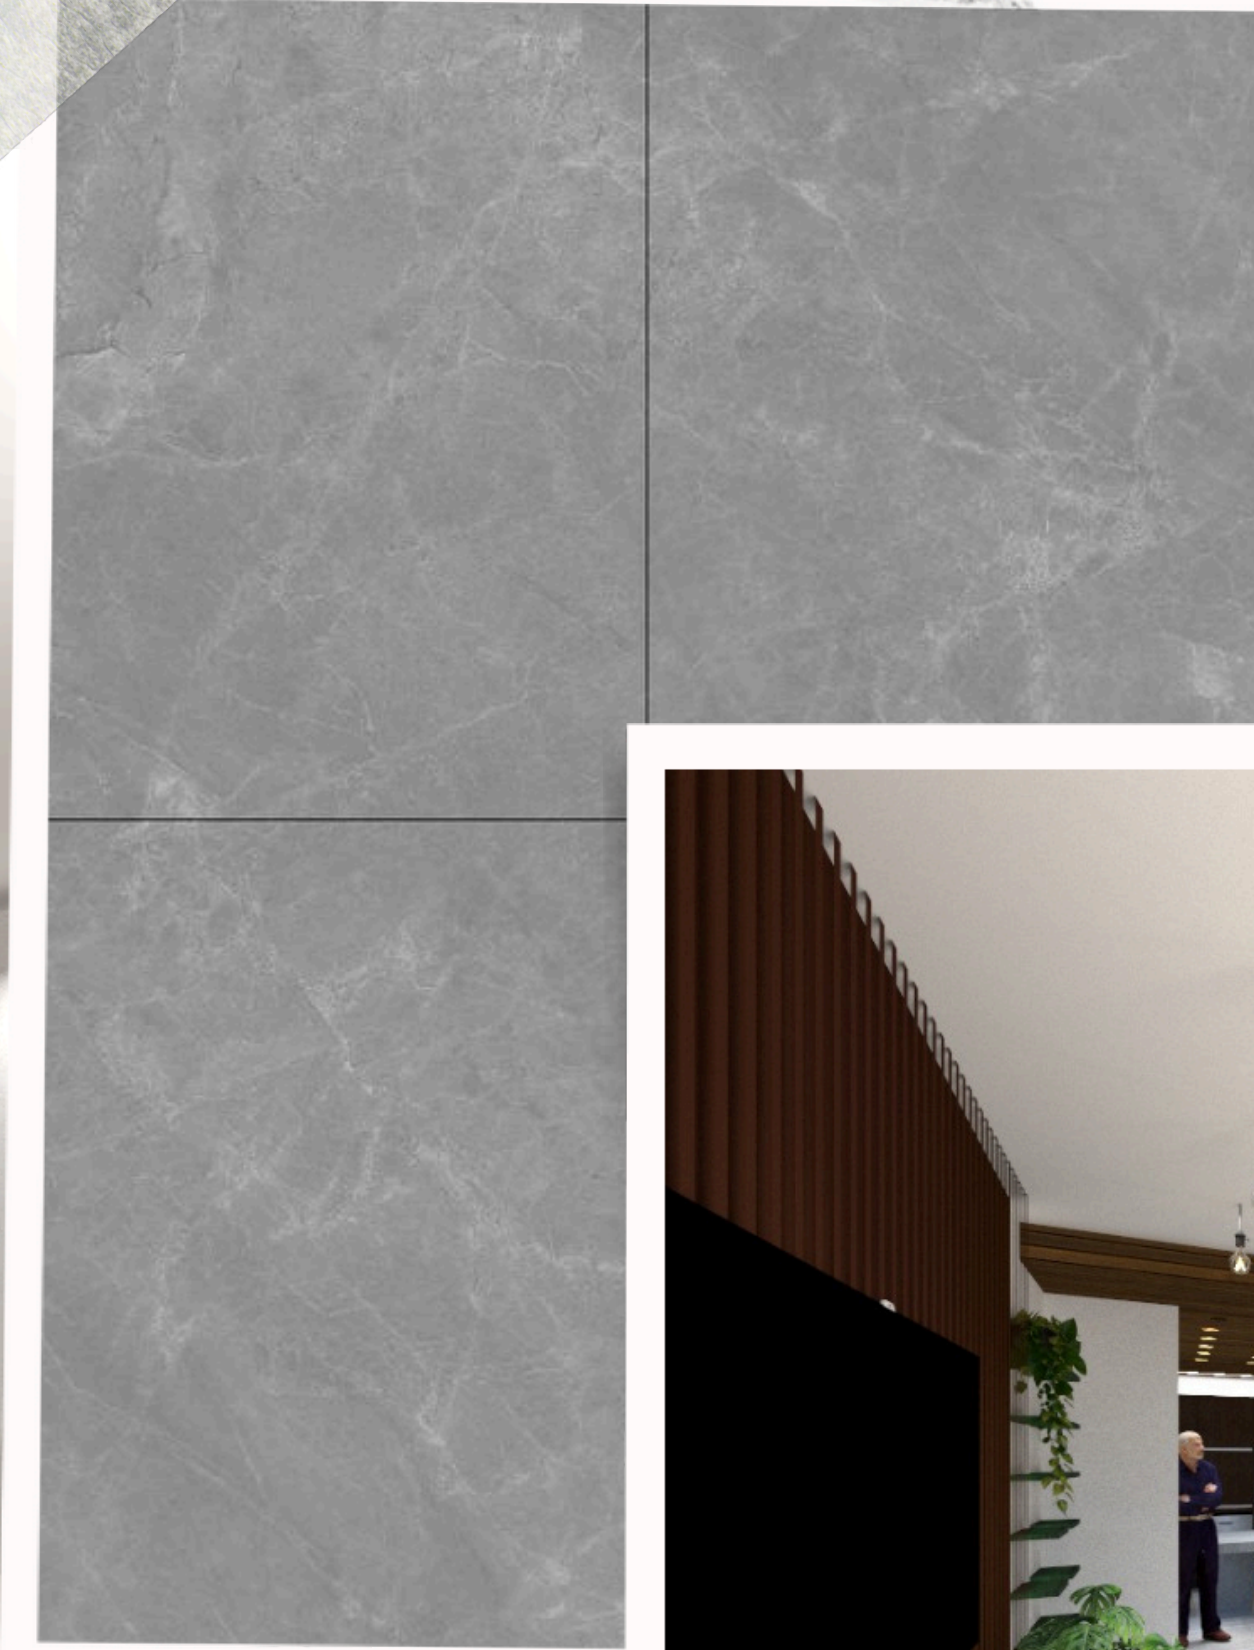

**Corners dedicated to reading, writing, studying, or simply enjoying slow time. Brazilian modernism manifests in airy volumes, functional yet sculptural furniture, and a fluid connection with external nature. Large openings, natural fabrics, colors inspired by earth and foliage: every element promotes creativity and concentration. Not just rooms to inhabit, but experiences to live**

# LIVING ROOMS

---

**A living room that doesn't just welcome you: it embraces you. Sinuous curves and soft seating meet warm materials, natural textures, and palettes inspired by earth and forest. The intense green on the walls dialogues with dark wood elements and woven fibers, evoking Brazilian nature in an urban key. The atmosphere is vibrant yet relaxed, illuminated by bare lamps like free thoughts. A space where design becomes sensory experience: sophisticated, alive, authentic.**

## Concept Style

The bathrooms are places of quietude and regeneration, conceived as private refuges from the world's rhythm. Grey stone surfaces wrap the environment with a reassuring material presence, creating a harmonious dialogue between nature and architecture. Clean lines, suspended volumes, and plays of reflected light construct an elegant and timeless atmosphere. The neutral palette amplifies the sensation of calm, while every detail – from brushed faucets to backlit mirrors – is designed to accommodate daily routines with style and functionality. A bathroom that isn't just a space, but an authentic wellness experience.

# KITCHEN

---

## Concept Style

Spaces where design isn't just aesthetics, but also sensory experience. The kitchens are designed to merge with the living area in a continuous, natural flow, without interruptions. The textural surfaces and warm wood tones dialogue with stone details, while natural light sculpts essential and sophisticated volumes. Each kitchen is conceived as the heart of the home: a place for gathering, sharing, and pleasure. Contemporary taste unites with pure functionality, featuring custom solutions, integrated appliances, and a restraint that proves powerful. A space to live every day, that exudes the scent of home and future

# MODERN POOL DESIGNS

## Concept Style

**Emerald green water that reflects sunlight and comes alive with magic as evening falls. The interior tiles, strictly green, give the pool a vibrant and deep tone that amplifies the sensation of lush freshness and recalls tropical nature with a contemporary twist.**

**Here minimalism meets desire: pure lines, clean geometries, pristine walls that frame a scene of hot relaxation and impeccable style. Brazilian modernism manifests fully: palms, natural light, and an indoor-outdoor continuity that invites you to experience every meter with bare skin and awakened senses. Every detail speaks of freedom, eternal summer, and sophisticated tropical seduction**
